## **BOTHRA ELECTRIC & REFRIGERATION CO.**

Dealing in all types of Refrigeration, Air Conditioning, Cold Room, Clean Room, HVAC & other Spares

## WELCOME

We thank you for allowing us to introduce Bothra Electric & Refrigeration co. to you as one of the leading HVAC-R spares supplier.

With 200+ customer base since 2005, we have built a strong relation with them, gaining their confidence and optimum satisfaction through our technical support and assistance whenever required.

We have delivered the products to the doorsteps, and provided the customers a single window access for all the quality and innovative products.

We keep most of the products off the shelf in our warehouses supplying them across India.

Above were the key features for the success what we saw so far.

We request you to please enlist our name for all your HVAC-R requirements and forward us all your enquiries/orders for a hassle free execution.

Pleasure to serve you ...

### Vision:

We look to become the great face of HVAC-R product sourcing company. Keeping things straight, simple and easy to source & exceeding the customers expectation

### Core Value:

Honesty, Efficiency, and commitment to deliver, Making our self a very dependable & respectful Source.

### Target :

To reach each and every customer of our Region, and give them 100% satisfaction. We look to be No1. in satisfaction rather than in revenue oriented company.

### Strength :

Our customers retained with us from Day one gives us the immense strength And growth. Zeal to grow, huge ready Stocks, and flexibility to adopt to the market Requirement makes us stronger to the competitor..
